

## In-Class Activity #1 – How to Search [HTML]

### Instructions

Make a copy of this document, and save it to your Drive. Then, fill out any label that is highlighted like this.

Using Google, find the answer to each of the following questions. For each question, provide an answer, the Google search phrase you used to find the answer, and the source (i.e., the link you clicked on) that ultimately gave you the answer. Complete your answers to all highlighted prompts in **bolded** text.

By the end of class, download your completed activity as a PDF and submit to the In-Class Activity 1 dropbox on Canvas.

## Name: Aspen Kimlicko

1. What does "HTML" stand for?
  - a. Your answer: hypertext markup language
  - b. What did you Google: what does html stand for
  - c. Link to source: <https://www.javatpoint.com/what-does-html-stand-for>
